ABOUT US:

WYN Conferences is an evolving network to prove “Great Minds Talk Ideas”. We organize variable international conferences by covering Medical, Health Sciences, Life Sciences, Physical Sciences, Engineering, Social Sciences, and Business. To serve millions of scientists and scholars we collaborate with great minds to talk about their innovative ideas. Our conferences treat experienced scientists or researchers to work together on various key challenges prevalent in the current global scenery. In this process of partnering with others, new research ideas are introduced to maximize the attendees in the conferences

WHO SHOULD ATTEND THE CONFERENCE

NextGen Women: Leading with Purpose and Power Summit 2026, organized by WYN Conferences, will be held July 20–23, 2026, in New York, USA.

Under the theme “Nurturing Emerging Leaders to Innovate and Inspire,” the summit will bring together scholars, professionals, entrepreneurs, and leaders to share insights on women’s leadership, innovation, and empowerment through presentations, panels, and networking sessions.

The summit will provide a dynamic platform for knowledge exchange, collaboration, and networking, featuring keynote talks, panel discussions, oral and poster presentations, and interactive sessions. Participants will explore topics such as women in technology, entrepreneurship, political leadership, business innovation, and leadership development, inspiring the next generation of women leaders worldwide.
