ABOUT US:

WYN Conferences is an evolving network to prove “Great Minds Talk Ideas”. We organize variable international conferences by covering Medical, Health Sciences, Life Sciences, Physical Sciences, Engineering, Social Sciences, and Business. To serve millions of scientists and scholars we collaborate with great minds to talk about their innovative ideas. Our conferences treat experienced scientists or researchers to work together on various key challenges prevalent in the current global scenery. In this process of partnering with others, new research ideas are introduced to maximize the attendees in the conferences

WHO SHOULD ATTEND THE CONFERENCE

WYN Conferences is organizing the Annual Summit on Mental Health and Positive Psychology, taking place on October 07–10, 2026 in Toronto, Canada. The summit brings together global researchers, scholars, and experts in Spirituality, Mindfulness, and Wellness.

The theme of the Annual Summit on Mental Health and Positive Psychology 2026 is “Innovations in mental health treatments: exploring new therapeutic modalities.”

The summit welcomes participants from academia, industry, and professional sectors to share recent advances and evidence-based practices in mental health, mindfulness, and wellness.
